Militaries have a heavy influence on society

Origin

Origin

Benito Mussolini - 1883 ~ 1945

In 1919, Mussolini created Fascism

He was the leader of Italy from 1925-1943 and led three political parties. This was the beginning of Fascism;

- The Fascist Revolutionary Party founded in 1915
- The National Fascist Party
- The Republican Fascist Party

Fascist Countries

Fascist Countries

Currently ZERO fascist countries

Three most famous Fascist countries:

Japan

Germany

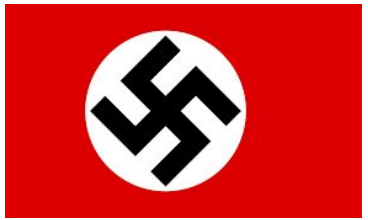
Italy

Fascist countries

World war II :

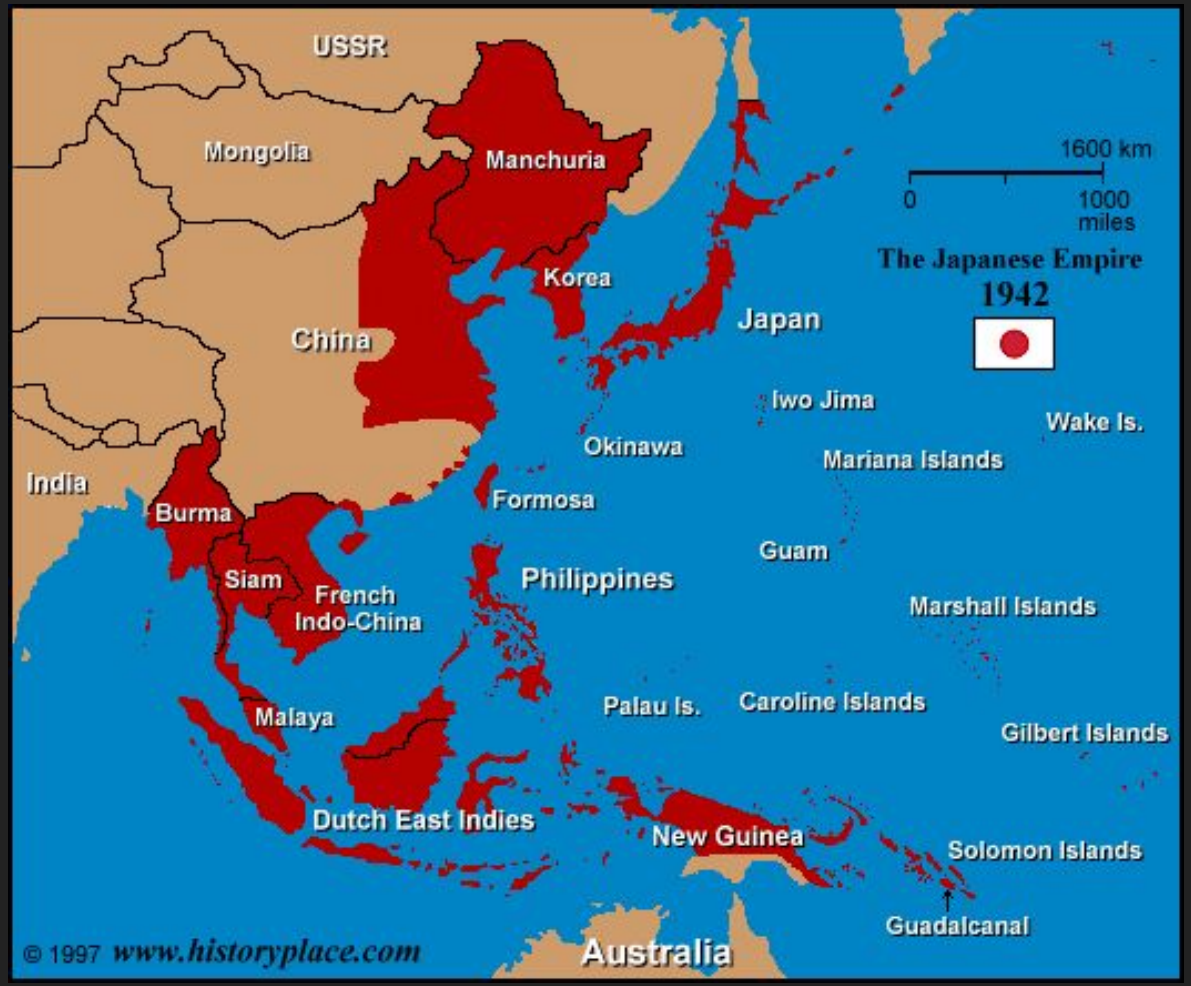
*Germany, Italy and Japan were **expansionist***

They wanted to expand their territories



German Nazi's conquered several parts of Europe and North Africa

Japanese empire conquered several parts of Southeast Asia.



Mussolini had wanted to bring back the Roman Empire and wanted to conquer foreign lands. However, Italy did not possess a strong military and struggled to conquer Abyssinia (modern day Ethiopia) and Libya.

Symbols

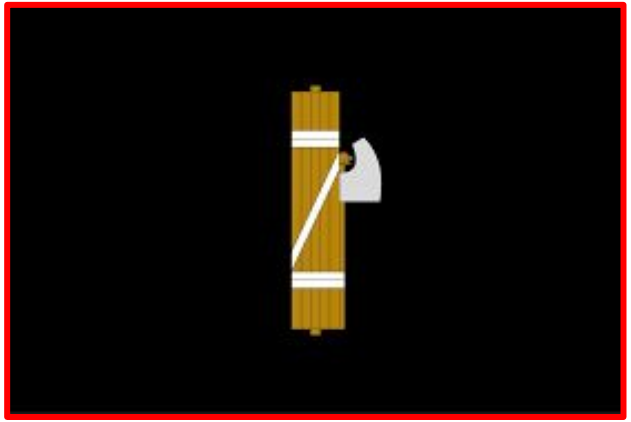
Benito Mussolini **fasces**

Created by Benito Mussolini

Latin word Fasces means **‘Bundle’**

Ancient imperial roman symbol of power carried by *lictors

***lictors are roman servants/bodyguards**



Fasces

The fasces is a bundle of sticks featuring an axe.

This indicates the power over life and death
